Month to 30 September 2020

PIP announced an unaudited net asset value ("NAV") per share as at 30 September 2020 of 3,007.4p, an increase of 161.2p (+5.7%) from the NAV per share as at 31 August 2020.

In the month to 30 September 2020, valuation gains* added +79.1p (+2.8%), investment income* added +1.9p (+0.1%), foreign exchange movements added* +84.5p (+3.0%) and expenses and taxes**** were -4.3p (-0.2%).

The valuation gains in the month were principally driven by strong performance across the information technology sector, which represents the largest sector in PIP's portfolio on a look through basis. In the month, JFrog, a California-based software company, and Allegro, a Polish e-commerce platform, successfully completed public offerings,

contributing 64.8 pence per share of the valuation gains recognised in the month.

At 30 September 2020, PIP's private equity assets stood at £1,554m, whilst net available cash balances[^] were £123m. The Asset Linked Note^{^^} ("ALN") outstanding as at 30 September 2020 amounted to £50m. Undrawn commitments to investments stood at £493m as at 30 September 2020, calculated using exchange rates at that date. PIP's multi-currency revolving credit facilities comprise a US\$269.8m facility and a €101.6m facility, which remained undrawn as at the month end.

PIP made four new commitments during the month amounting to £10.7m. These included a £4.7m commitment to a diversified portfolio of eight secondary funds based in the USA; a £2.5m co-investment, alongside GI Partners, to Sectigo, a provider of identification and web security solutions based in the USA; and a £2.0m co-investment, alongside Hg, to Sovos, a global provider of business-critical tax compliance software solutions based in the USA.

*Figures are stated net of movements associated with the ALN share of the reference portfolio.

**Ratio of net available cash, portfolio value and undrawn loan facility to outstanding commitments.

***Based on the change in the ordinary share price over the period.

****Withholding taxes on investment distributions.

[^]Net available cash calculated as cash and net current assets / (liabilities) less undistributed net cashflows associated with the ALN.

^{^^}Unlisted 10-year note issued on 31 October 2017 whose cost and repayments are linked to a reference portfolio consisting of the Company's older vintage funds.
