Pantheon International Plc ("PIP" or the "Company")

30 October 2017

**Results of Extraordinary General Meeting & Ordinary & Redeemable Share
Class Meetings
and Timetable**

On 28 September 2017, PIP, an investment trust that invests in private equity funds globally, announced proposals to effect the consolidation of its ordinary and redeemable share capital into a single class of Ordinary Shares (the "**Consolidation**") and issue an unlisted asset linked note (the "**ALN**") to the largest holder of the Company's Redeemable Shares (the "**Investor**") (together, the "**Proposals**").

On 6 October 2017, the Board of the Company published a circular (the "**Circular**") containing details of the Proposals. The Circular is available for viewing at <http://www.morningstar.co.uk/uk/nsm> and on the Company's website.

In order to enable the Company to implement the Proposals, the Company convened an Extraordinary General Meeting (the "**EGM**") and separate class meetings for the holders of the existing classes of Ordinary Shares of 67p each in the Company ("**Ordinary Shares**") and Redeemable Shares of 1p each in the capital of the Company ("**Redeemable Shares**"). The EGM and each of the class meetings were held earlier today.

The Company is pleased to announce that each of the Special Resolutions proposed at the EGM and each of the resolutions proposed at the class meetings, was passed on a [show of hands].

Commenting on the results of the meetings, **Sir Laurie Magnus, Chairman of PIP**, said:

"My fellow directors and I are delighted that Shareholders have supported the proposals and that the Company's Ordinary and Redeemable Shares will now be consolidated into one class of Ordinary Shares. We believe that the Company's enlarged ordinary share class will improve the secondary

market liquidity of the Company's shares. This, together with the alignment of the future performance of the Company to the higher-performing, younger assets in its portfolio, means that two potential obstacles to improving PIP's longer term share price performance will have been removed. On behalf of the Board, I would like to thank PIP's Shareholders for their continued support as the Company enters an exciting next phase in its evolution."
